

PAKISTAN AIR FORCE

INDIAN AIR FORCE

Rapid J-10C acquisition and JF-17 Thunder's co-development with China

Successfully indigenised industry via PAC Kamra and NASTP upgrades

No aircraft lost, maintaining strategic superiority over India

Struggling with 31 squadrons—far below 42 needed

LCA and AMCA programmes face delays and limited success

Lost frontline fighter jets such as Rafale, Sukhoi-30 and MiGs to PAF in recent engagements
